**ATR VERDICT:** The booking of Benoit De La Sayette in this apprentice handicap could prove crucial for FORWARD FLIGHT, who has leading claims on his 1m Yarmouth victory off a 2lb lower mark last month. Miss Dolly Rocker is a course winner returning from a break and she has slipped to a fair mark, while Arctician also looks feasibly treated again and ran well enough when fourth over C&D 12 days ago to be seriously considered in this company.

**ATR VERDICT:** NEW CHELSEA disappointed when sent off favourite for a nursery at Newmarket earlier in the month but he failed to get the 1m1f trip that day and could be worth another chance now dropped back in trip off a 2lb lower mark. His near-miss at Newbury over 7f the time before gives him a big chance here and first-time blinkers may help. I Love Paris has shown ability in her three qualifying runs, most notably when placed over 1m at HQ last time out, and an opening mark of 80 looks fair. Royal Tapestry won over this distance at Lingfield 13 days ago and complete the shortlist off 6lb higher.

**Top Tip:** NEW CHELSEA (1)

**ATR VERDICT:** SOMMELIER left his April debut well behind when returning with an impressive success over 6f at Chelmsford earlier this month and he looks up to defying a penalty to follow up here. The form has been boosted by the third scoring since and Marco Botti's gelding has scope for plenty of improvement. Also over 6f at Chelmsford, Alfa Kellenic caught the eye finishing well for third once the penny dropped on debut and should be wiser for that experience. Tangled Up In Blue also warrants respect after a decent third in a Newcastle nursery.

State Flag outran her odds to fill the runner-up spot over C&D at the start of the month and she is capable of being in the mix, while others to note are Wadacre Icarus and Ten Club.

**ATR VERDICT:** HAFEET ALAIN arrives following a recent success at York and the booking of Billy Loughnane makes him appeal considerably on his return to the all-weather. Catch The Paddy scored at Newmarket on his latest start and he is likely to enter the reckoning off a 4lb higher mark. Autumn Festival, Choisy and Symbol Of Light appeal most of the remainder.

**ATR VERDICT:** PERSEUS WAY enjoyed a decent spell over hurdles for Gary Moore and returned to Owen Burrows with a promising display when runner-up here last month. The step up in trip promises to yield further improvement and he gets the vote at the expense of Dancing Harry, who was fourth at Goodwood in August, and World Without Love, who has been running consistently well of late.

**ATR VERDICT:** A plum draw in stall one ought to aid the chances of dual course winner GOT NO DOLLARS. Recent efforts, most notably his narrow second at Chelmsford 18 days ago, would suggest the son of Showcasing is coming to hand, and he is weighted to go well from 9lb below his last winning mark. So Glorious sports first-time cheekpieces ahead of her handicap bow so it would come as no surprise to see an improved showing. Top Of The Class has taken a couple of backwards steps recently, but she might fare better now eased in class.

**ATR VERDICT:** KEMERTON's handicap rating has been in free-fall following a string of below-par efforts on the turf, but Ian Williams' charge, whose career-best performance came at this venue, might be able to take advantage of his reduced mark now back on the all-weather. Trusty Scout struggled over hurdles last month but he had been running to a consistent level on synthetic surfaces prior to that performance. With that in mind, he could be in the shake-up, along with Hazel Bear and handicap debutant Total Master.

**ATR VERDICT:** The vote goes to CHURCHILL ROSE, who was unfortunate to bump into a well-handicapped, and heavily-backed, rival at Lingfield last month. 7lb claimer Mikkel Mortensen keeps the ride aboard Charlie Fellowes' three-year-old and she can go one better from just a 1lb higher mark. Dotties Star occupied the same position at Windsor 28 days ago and the gelding, whose dam was a multiple all-weather winner, must be respected now back on an artificial surface. Largo Bay heads the remainder.
